## **BUSINESS**

### **Intersystem Funding**

OWLS Director Gerri Moeller has noticed a discrepancy in funding for the Marion and Clintonville libraries from Shawano County. Shawano County has not been reimbursing the libraries at the proper rate. They have only reimbursed \$10,000 instead of the proper amount of \$30,000. The next step would be to mediate this difference. The Board felt that Moeller, as OWLS director, should take the lead in the mediation. Hopefully, the issue would be resolved soon as it will have an impact on the 2016 budget.

### **Library Sign**

Director Hein was finally able to meet with the building inspector. The Board went outside to look at suggested possible sites that meet regulations. The next step will be to secure bids from several vendors.

### **Friends of the Library**

Friends of the Library representatives Jeane Giordana, Ralph Williams, and Ann Klemp met with the Board to discuss strengthening the partnership between the Friends and the Board in order to accomplish positive benefits for the Library. Suggestions include establishing a liaison position between the Board and the Friends, sharing the survey results with the Friends, raising funds and community support for the Library, sponsoring more adult events, and establishing a permanent area for the used book sale. The next meeting of the Friends is July 27<sup>th</sup>.

The next meeting will be August 20<sup>th</sup> at 4:00 p.m.

Moved by Simpson, seconded by Sweet to adjourn at 5:28 p.m. Motion carried unanimously.
