CLINTONVILLE PUBLIC LIBRARY
MONTHLY REPORTS
MAY 2023

JAMIE HEIN, LIBRARY DIRECTOR'S REPORT:

Infosoup Library Road Trip

OWLS has organized a Library Road Trip that runs from May 1 to July 15. The idea is that participants pick up a stamp booklet from their local library, visit other libraries within OWLS and NFLS, and do an activity to earn a stamp in their booklet. Once a participant has 10 stamps, they can enter a drawing to win a prize. The drawing will be on August 1. To learn more, visit www.infosoup.info/roadtrip

Meeting with Brandon

Jamie met with the new council representative on the Library Board, Brandon Braden, on April 26. Jamie brought him up to speed on what the board has been up to. Additionally, Jamie sent Brandon links to various information about the Library and Library Board.

WAPL Conference

Jamie attended the Wisconsin Association of Public Libraries (WAPL) conference from April 27-28. It was a great conference and the sessions Jamie attended included You Don't Want this Meeting to be an Email!, At the Movies with Librarians, Take Care of YOU as You Take Care of Your Library, Work/Life Balance for Library Leaders, and Creating a Diverse Workforce with Your Hiring Practices.

Youth Services position

The job ad for the open Youth Services Librarian position went up on April 11 and ended on April 30. At this time, there have been seven applicants and most of them look really good. Ashley and Jamie have been working on interview questions and reviewing the candidates to determine who to interview.

YOUTH SERVICES REPORT:

Summer Reading Program

Ashley and Jamie have been organizing the Summer Reading Program since Delanie left. It starts on June 12 and lasts until August 18. Ashley created tickets that are simpler to use and Jamie created a pamphlet to hand out. Ashley has been organizing school visits for the month of May and both of them will be working on presenting to the different classes. Ashley has been working on prizes and has them all ordered. The Friends of the Library will reimburse the Library for the prizes. Weekly activities will include the ball guess, find the letter scavenger hunt, and reader of the week.

Programming Stats

Page Turners & Popcorn

Ashley and Jamie decided to stop this program since it had low attendance along with everything else we are doing currently. When the new person is hired, we can try to bring this back or do something different during this time slot.

Storytime

There was no Storytime on April 4 during Spring Break due to the movies we were showing. Delanie's last Storytime was April 11. Library Technician Hannah Dahlman worked Storytime starting on April 18.

ASHLEY BORMAN, TECHNICAL SERVICES LIBRARIAN’S REPORT:

It has been a busy month here at the library. With Delanie leaving, there is a lot to be done for the summer reading program. Jamie created a pamphlet of our summer happenings, while I have been organizing in the children’s office to see what we have for prizes. I ordered some things to

fill in the gaps, as well as ordering prizes for the adults and teens. I created tickets and reverted the program back to a format that is easier for everyone to work with. And I created a sign-up for the teachers to bring their classes over for class visits and took it over to St. Martin's and then the elementary school.

In addition to summer things, I have also taken on the ordering for the children's department, and am working on filling in gaps in certain areas of popular picture books and teen books that had been neglected.

Jamie and I have also been working on creating some new interview questions so we can make sure we find someone who is qualified and good with children to fill the youth services position.

I have continued to provide reference services through e-mail and in person for patrons who need assistance finding things in the Wisconsin room.

Adult crafting this month was Chicken Wireframes. We had 12 people in attendance. The May craft will be decoupage jars.

As always, I continue to catalog and process materials.

UPCOMING WORKSHOPS, MEETINGS, & CLASSES:
