## CLINTONVILLE PUBLIC LIBRARY MONTHLY REPORTS JULY 2024

#### JAMIE HEIN, LIBRARY DIRECTOR'S REPORT:

## **OWLS Directors Meeting**

I attended the OWLS Directors meeting on June 4 online. We discussed county plans, program and reference question tracking, library appointments and visits, and some general discussion. Our next meeting will be in-person on Thursday, August 29 at Hortonville.

## City Leadership Meeting

The June 4 City Leadership meeting was here at the Library. We discussed 2025 Budgets, Capital Improvement Plans, the city's website, and monthly legal meetings with the city attorney.

## **In-Service Day**

The Library was closed on Thursday, June 6 for a staff in-service day. Molly Komp, Training Librarian at OWLS, presented on working with our automation software CARL and tips and tricks to help the front desk staff. Lunch was from Jarrrito's that the Friends of the Library paid for. In the afternoon, Megan Hintz, Aging Programs Supervisor at Waupaca County presented on different resources for helping those with Dementia and their caregivers. After her presentation, all library staff spent some time hanging up decorations for the summer program theme of Adventure begins at your Library.

#### City Council Meeting

I attended the June 11 city council meeting to talk about this year's Summer REading Program. A pamphlet was shared in the council packet, but I also provided June-August calendars listing the events happening on each day and highlighted some of the bigger programs.

#### **DVR Worker**

I worked with an agency that helps individuals who have a difficult time finding employment provide a position and responsibilities here at the Library. This agency works with the state Division of Vocational Rehabilitation who then provides pay and a job coach. The individual we have working at the Library on Wednesdays and Fridays for months of June and July is Gabriel. His tasks include dusting and cleaning shelves, shredding paper, and cleaning DVDs.

## Mario Kart Tournament

I helped run the Mario Kart Tournament with Hannah on June 27. The event went really well and there were several participants. After about 16 races, we crowned one winner with a bag of various goodies.

## Library Freedom Institute 2nd Session

On June 21, I attended the second session of the Library Freedom Institute. We discussed best practices for patron privacy and library privacy policies, data lifecycle in libraries, and library vendors and their issues.

## HANNAH DAHLMAN, YOUTH SERVICES LIBRARIAN'S REPORT:

## YOUTH SERVICES JUNE 2024 REPORT

## Kick-Off to Summer Reading

We started summer reading off with a kick-off party outside! Thankfully the rain held off! We had 343 people attend the party, and I had a bouncy house, alpaca petting zoo, henna tattoos, crafts, bubbles, chalk, a sensory table, and free food. All of this was possible thanks to money and volunteer hours from The Friends and grants from OWLS. My husband also volunteered his time to grill the hot dogs and hamburgers. I received tons of positive feedback from our patrons about the party, and so far we've signed up 308 people for summer reading!

## June Events

I organized a total of 7 special events (plus regular programming) for June. We had 23 people for our Mario Kart tournament and it was a blast watching them all play together! Deb Biechler came to read her book 'Berry Hullabaloo" at our weekly storytime which was a hit, she was so engaging. For our teen afternoon, we had so much fun creating "bad" art, one of the teens even said to me "Ms. Hannah, this was the best program you've ever done!" We had The Woodsy Dude come to teach survival skills to 13 kids, and collaborated with the local Girl Scouts to do a safari themed party for 14 girls. So much fun was had in June!

#### Building a shelter with the Woodsy Dude

## **Program Numbers**

Storytimes: 26 kids, 16 adults Lego club: 8 kids, 6 adults

Mario Kart Tourney: 19 kids, 4 adults Kick Off Party: 208 kids, 135 adults

Crafts: 41 kids, 11 adults Teen afternoon: 8 kids

Reader of the Week: 132 kids

Jar Guess: 238 kids Word Find: 122 kids Movie: 25 kids, 5 adults

#### ASHLEY BORMAN, TECHNICAL SERVICES LIBRARIAN'S REPORT:

I have continued to provide reference services through e-mail and in person for patrons who need assistance with obituaries and finding information in the Wisconsin room.

Adult crafting for June was decoupage wine bottles. We had 2 people in attendance. July's craft is junk journals.

I have been working on cleaning up the Obituary index, which had some duplicate records imported when we migrated it to the new website software. One of the front desk staff is helping me go through the list and locating duplicate records, which I then go in and delete. We are halfway through the list.

I have started going through the adult fiction collection and adding genre stickers and updating popular author books with series information on the spines, so patrons can more easily find what they are looking for.

As always, I continue to purchase, catalog, and process materials.

I have watched various webinars on a variety of library related topics and attended some virtual meetings for WISCAT (the ILL lending platform for WI Libraries).

## **UPCOMING WORKSHOPS, MEETINGS, & CLASSES:**

• None to report.

#### MATERIALS SELECTION/COLLECTION DEVELOPMENT POLICY

Prior Date of Review and Approval: 18 July 2007, 18 March 2010

Date of Review and Approval: 13 January 2022

#### A. Objectives

The purpose of the Clintonville Public Library is to provide all individuals in the community with carefully selected books and other materials to aid the individual in the pursuit of education, information, research, pleasure, and the creative use of leisure time.

Because of the volume of publishing, as well as the limitations of budget and space, the library must have a selection policy with which to meet community interests and needs.

The materials selection/collection development policy is used by the library staff in the selection of materials and also serves to acquaint the general public with the principles of selection.

The *Library Bill of Rights* and *The Freedom to Read Statement* have been endorsed by the Clintonville Public Library Board of Trustees and are integral parts of the policy. Access to all content legally obtainable is assured to our users. This includes content that reflects a diversity of issues, whether they be political, economic, religious, social, ethnic, or sexual. Our collection reflects a diversity of content, not an equality of numbers.

The library will not promote specific beliefs or views but will provide enough suitable material to enable the public to make informed and intelligent decisions.

The materials selection/collection development policy, like all other policies, will be reviewed and/or revised as the need arises.

#### **B.** Responsibility for Selection

The ultimate responsibility for selection of library materials rests with the library director who operates within the framework of the policies determined by the Clintonville Public Library Board of Trustees. This responsibility may be shared with other members of the library staff; however, because the director must be available to answer to the library board and the general public for actual selections made, the director has the authority to reject or select any item contrary to the recommendations of the staff.

#### C. Criteria for Selection

- 1. The main points considered in the selection of materials are:
  - a) individual merit of each item
  - b) popular appeal/demand
  - c) suitability of material for the clientele
  - d) existing library holdings
  - e) budget
- 2. Reviews are a major source of information about new materials but the lack of a review or an unfavorable review shall not be the sole reason for rejecting a title which is

#### MATERIALS SELECTION/COLLECTION DEVELOPMENT POLICY

Date of Review and Approval: 13 January 2022

in demand. Consideration is, therefore, given to requests from library patrons and books discussed on public media. Materials are judged on the basis of the work as a whole, not on a part taken out of context.

#### D. Interlibrary Loan

Because of limited budget and space, the library cannot provide all materials that are requested. Therefore, interlibrary loan is used to obtain from other libraries those materials that are beyond the scope of this library's collection.

In return for utilizing interlibrary loan to satisfy the needs of our patrons, the Clintonville Public Library agrees to lend its materials to other libraries through the same interlibrary loan network, and to try to have its current holdings listed in a tool that is accessible by other libraries throughout the state.

#### E. Weeding

An up-to-date, attractive and useful collection is maintained through a continual withdrawal and replacement process.

Library Staff considers the following criteria in choosing materials for withdrawal:

- Worn or badly damaged materials.
- Frequency of use.
- Superseded editions or obsolete items and formats.
- Availability of other titles on the subject.
- Local interest/historical significance.
- Availability online or elsewhere.
- Classic or basic work in the field.

Replacement of worn volumes is dependent upon current demand, usefulness, more recent acquisitions, and availability of newer editions. This ongoing process of weeding is the responsibility of the library director and is authorized by the Board of Trustees. Withdrawn materials will be handled in a similar manner and under the same authority as donated materials.

#### F. Potential Problems or Challenges

The Clintonville Public Library recognizes that some materials are controversial and that any given item may offend some patrons. Selection of materials will not be made on the basis of anticipated approval or disapproval, but solely on the basis of the principles stated in this policy.

Responsibility for the reading of children rests with their parents or legal guardians. Selection of library materials will not be inhibited by the possibility that materials may come into the possession of children.

Library materials will not be marked or identified to show approval or disapproval of their contents, and no library material will be sequestered except to protect it from damage or theft.

#### G. Challenged Materials

Although materials are carefully selected, differences of opinion regarding the suitability of materials can arise. Patrons requesting ("Requestor") that material be withdrawn from or restricted within the collection may complete a "Statement of Concern about Library Resources" form which is available in the library. The Requestor must fill out the form completely in their own words and hand it in in-person; if not, it will be dismissed. Requestors must have a nonexpired library card with Clintonville as their home agency, live within a 20 miles radius of the City of Clintonville, and can only request one item at a time for review. The challenged itemquestioned material will be reviewed by the Library Director, Youth Services Librarian, and Technical Services Librarian Library staff, in its entirety within one (1) year, and once a decision has been made regarding the retention or removal of the material the Library Director will issue a response to the Requestorperson in writing, explaining the decision. During the review, the challenged item will remain on library shelves and the Library will purchase additional copies for staff to review.

If the Requestorperson is dissatisfied with the decision, theyhe/she may appeal to the Clintonville Public Library Board of Trustees ("Library Board") within fourteen (14) calendarregular business days after the send date of the decision. To appeal, the Requestor will need to write a letter to the Library Board detailing why they wish to appeal and deliver it to the library, either by mail or in-person. The Library Board will review the challenged item in its entirety within one (1) year. The appeal will be reviewed afterwards at the Library Board's next regularly scheduled meeting, reconsider the decision based at its next regularly scheduled meeting, allowing for fourteen (14) calendar days review time by the Library Board. The Requestor person appealing the decision shall be notified of the date, time, and the location the Library Board will hear the matter and may appear at the meeting to be heard.
